6 months and 15 - 25 million people participated in the Floyd protests. That is our mark to beat. Election fraud and Voter fraud will not evaporate in a week. Every link in the Chain of Custody needs to be vetted and secured. 6 months and 25 million people to fix the crime wave we saw in 2020? Worth every minute of it.

you may have corruption in your elections. a few states don't (Texas? North Dakota ?)

I wonder if most states are corrupt in someway, to some extent. Colorado is blessed to have some patriots who are digging in to the details and exposing the shenanigans.

anyone can follow Colorado's example.

If we don't take back the power to ensure we have legitimate elections, the crooks aren't going to just roll over.

what about your state ?

<https://www.facebook.com/ColoradoEIP> shows how to do it. brave, smart citizens digging in to the secrets and exposing the machinations and the people behind them. taking names and investigating how the steals happen.

## What will happen on January 6th? (doom prophecy)

From [Ingersoll Lockwood](#)'s prophetic book [The Last President](#):

- **Chapter 10:** Congress refused to adjourn over the holidays. The entire chapter centers around the final debate between the North and South. At the point the president is pale, and seems to be weak. The Speaker of the House says the president must resign. Then, the president speaks, and it seems almost godly – he has everybody back under his power for a moment! **Out of nowhere, the capitol is struck by dynamite and destroyed!** The republic was dead, and “*it had died so peacefully, that the world could not believe the tidings of its passing away*” (p. 43).
- **Creepy Ending:** “*As the dawn broke cold and gray, and its first dim light fell upon that **shattered dome** glorious even in its ruins, a **single human eye** [the all-seeing illuminati eye? Dan Crenshaw?] filled with a gleam of devilish joy, looked up at it long and steadily, and then its owner was caught up and lost in the surging mass of humanity that held the Capitol girt round and round*” (p. 43).

I have never looked at that building before with such contempt and disgust as I do now.

It's very sad.

It's like being a landlord and visiting the house of a jobless tenant who has not paid rent only to find they have 5 brand new cars and their house is filled with beautiful expensive furniture and expensive name brand clothes.

The people in that building have wronged us and they do not deserve to be in there. If they will not leave then the building should not stand another month.

For me, it's the betrayal that hurts the most. That and the disgust I feel for those who think their lives of success and affluence are more important than the dignity of the American people.

Reminds me of the Parable of the Tenants from Matthew 21:

33 “Listen to another parable: There was a landowner who planted a vineyard. He put a wall around it, dug a winepress in it and built a watchtower. Then he rented the vineyard to some farmers and moved to another place. 34 When the harvest time approached, he sent his servants to the tenants to collect his fruit.

35 “The tenants seized his servants; they beat one, killed another, and stoned a third. 36 Then he sent other servants to them, more than the first time, and the tenants treated them the same way. 37 Last of all, he sent his son to them. ‘They will respect my son,’ he said.

38 “But when the tenants saw the son, they said to each other, ‘This is the heir. Come, let’s kill him and take his inheritance.’ 39 So they took him and threw him out of the vineyard and killed him.

40 “Therefore, when the owner of the vineyard comes, what will he do to those tenants?”

41 “He will bring those wretches to a wretched end,” they replied, “and he will rent the vineyard to other tenants, who will give him his share of the crop at harvest time.”

42 Jesus said to them, “Have you never read in the Scriptures:

“‘The stone the builders rejected has become the cornerstone; the Lord has done this, and it is marvelous in our eyes’[h]?”

43 “Therefore I tell you that the kingdom of God will be taken away from you and given to a people who will produce its fruit. 44 Anyone who falls on this stone will be broken to pieces; anyone on whom it falls will be crushed.”[i]

45 When the chief priests and the Pharisees heard Jesus’ parables, they knew he was talking about them. 46 They looked for a way to arrest him, but they were afraid of the crowd because the people held that he was a prophet.

They call us "deplorable." Yet we are the cornerstone of our country.

It saddens me to even have to feel this way but I know many others share the same feeling.

It has all been going on for far too long. When our votes don't matter then we have no freedom. If we have no freedom, there is no point in caring about what tomorrow may bring.

'The Office' Is Officially Leaving Netflix Starting January 1, 2021, you'll no longer be able to revisit your favorite episodes or re-watch the series for the 100th time, as all nine seasons of the show are leaving the streaming service on December 31.

PLUS they snuck making illegal streaming a felony I to the relief bill?

PLUS Hollyweird are actively campaigning for Biden

Can't lie, I've never been so proud to be an American. Globalist psyops had me convinced that we were a dying breed, now the genie is out of the bottle and theres no turning back.

Must be prepared to do all that is necessary.

We will not be the ones that allow a presidential election to be stolen

Traitors get the rope

They think we are going to peacefully protest

We have been peaceful long enough

No peace no protest

Justice!

I WOULD LIKE TO SUBMIT A SUGGESTION FOR ALL PATRIOTS ATTENDING JANUARY 6: IF ANYONE CAN BUILD A SIMPLE DISPLAY OF SOMETHING THAT RESEMBLES THE GALLOWS SET ATOP A QUICKLY BUILT STAGE IN THE MIDDLE FRONT OF THE BUILDING, IT WOULD SURELY SEND A MESSAGE TO THOSE CORRUPT TRAITORS INSIDE.

MAKE IT HAPPEN!

Come armed!!!! I can't stress this enough. If you have a car store your guns there even with handguns make sure to conceal carry but don't come thinking this is a rally.

don't come concealed

open carry

discourage trouble, don't lie in wait for it

Bear in mind open carry is illegal in DC. So you'll be arrested right away. But if that's your statement do it.

I don't think Jan 6 is time for guns. Jan 7th might be.

Spend the next few days looking at the monuments of our heroes as inspiration.
